Hi Gary, I was informed that I was not to review the plan submittal, you will need to contact Joe Meyers at the City of Ypsilanti to discuss the reasons. jmeyers@cityofypsilanti.com

Kurt,

I want to follow up with an email in addition to my voicemail regarding the plan review that we submitted back on 1-22-2021 in regard to our project on 31. N. Washington Ave..

I have left a couple of voicemails to the city to inquire the progress of any comments or approval of the stamped drawings but have had no response.

When my colleague dropped off the plans, he was told by the clerk that we should hear something back within a week.

Can you shed some light on this so I can give the owner some sort of progress report on this project?

Any information would be appreciated.

Thank you.
